ILLINOIS
Regular Session
Public Act 78-599, Laws 1973
Senate Bill No. 556
Received Oct. 23, 1973

AN ACT to amend Section 17 of the "Illinois Food, Drug and Cosmetic Act", approved June 29, 1967, as amended.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Section 17 of the "Illinois Food, Drug and Cosmetic Act", approved June 29, 1967, as amended, is amended to read as follows:

Section 17. (a) No person shall sell, deliver, offer for sale, hold for sale or give away any new drug unless (1) an application with respect thereto has been approved and the approval has not been withdrawn under Section 505 of the Federal Act, and (2) a copy of the letter of approval or approvability issued by the Federal Food and Drug Administration is on file with the Director, if the product is manufactured in the State of Illinois.

(b) No person shall use in human beings or animals a new drug limited to investigational use unless the person has (1) filed with the Federal Food and Drug Administration a completed and signed application "Notice of claimed investigational exemption for a new drug" in accordance with Section 130.3, and 130.3a of Title 21 of the Code of

Federal Regulations and the exemption has not been terminated and (2) filed with the Director, if any portion of the human or animal investigation is conducted in the State of Illinois, a form including but not limited to the following information: (a) name of person conducting the investigation; (b) type of drugs or chemicals used; (c) subjects (human or animal) of investigation; (d) location of investigation; and (e) purpose and expected results of investigation; such form shall be prescribed and furnished by the Department; and (3) the drug shall be plainly labeled in compliance with Section 505 (i) or 507 (d) of the Federal Act.

(c) This Section shall not apply:

(1) to any drug which is not a new drug as defined in the Federal Act; or

(2) to any drug which is licensed under the Public Health Service Act of July 1, 1944 or under the animal virus-serum-toxin law of March 4, 1913; or

(3) to any drug which is subject to Section 15 (1) of this Act.
